

"The Unpardonable Sin"

- I. Where did this idea come from? Matthew 12:31&32
- II. John 10:10 states that Satan wants to steal, kill, and destroy. He does his best to convince us that we have committed the unpardonable sin & to give up
- III. Jesus wants to give us abundant life. If our salvation was found in ourselves, we might lose it. But Romans 3:24 says that our redemption is found in Christ. Our part is to believe that we have it and always respond to God's love.
- IV. Satan seeks to draw us to the unpardonable sin by making sin to appear that it is no longer sin. Isaiah 5:20
"Vice is a monster of frightful mien. As to be hated needs but to be seen, Yet Seen to oft, familiar with her face. We first endure, then pity, then embrace."
Alexander Pope
- V. Satan might discourage us with the thought that if we sinned willfully and deliberately, there is no chance of forgiveness. Hebrews 10:26 Numbers 15:30.
- VI. Fortunately we have the sins of David to show us that this is not true. Psalms 51:16&17
- VII. What about Hebrews 6:4-6? The word "seeing" in verse 6 has been supplied. The text could read, "while they keep on crucifying the Son of God". You can't be forgiven if you defiantly keep on sinning.
- VIII. All of us often sin, knowing that we should not. This is the condition of the natural man. Romans 7:18&19
- IX... Romans 6:13&14 reassures us that sin does not have to have dominion over us. The secret is yielding our will to God and asking for His power to obey.
- X. Definition of the "unpardonable sin": *"The sin of blasphemy against the Holy Spirit does not lie in any sudden word or deed: It is the firm determined resistance of truth and evidence...The sin against the Holy Ghost is the sin of persistent refusal to respond to the invitation to repent."*
Bible Commentary Volume 5, page 1093
- XI. Those who come to Jesus will not be cast out. John 6:37
- XII. Satan seeks to destroy our capacity to believe and to respond to God's love. This is the condition of the Laodicean church. Revelation 3:15-20. Only by opening the door to Jesus and repenting can we protect our ability to believe and respond to God's love.

**"The thief cometh not, but for to steal,
and to kill, and to destroy:
I am come that they might have life,
and that they might have it more abundantly."
John 10:10 (KJV)**

SEVENTH-DAY ADVENTISTS BELIEVE:

As a people we hold the Bible in supreme regard as the revealer of God's truth to guide us to salvation. Our love and devotion is rooted supremely in Christ who we worship as our Savior, Creator, Lord and King.

We believe that forgiveness, healing and eternal life are offered freely to all on the basis of what Jesus has already accomplished for us at the cross, and continues to do as He ministers on our behalf in the heavenly sanctuary above. God's mercy and grace are infinite and are received by faith, to prepare a people for Jesus' second coming.

The "New Covenant" provides not only forgiveness for sin, but also God's promise to write His law on our hearts so that our greatest joy will be to do His will. We keep His commandments, not in order to be saved, but because He has already encircled us in His saving arms. His law includes also the fourth commandment Sabbath which invites us to spend a special time of fellowship with God on the seventh day.
