From the Pastor's Desk.....

Last year India became the world's most populous country with 1.4 billion. Artificial Intelligence became bigger than ever, offering, as one headline said, "promise and peril." A war in Israel began. Many other things could be listed as significant world events in 2023.

But our Brookings church had important happenings too. Revival seminars with Lee Venden and Don MacLafferty. Evangelism programs with Rob Zama and Tim Taylor. By the end of the season of meetings, everyone breathed a sigh of relief but we were all glad for the spiritual renewal we experienced and new decisions for Christ.

As we look at next year, let us pray for the Spirit's leading in our church. God has promised to be with us as we trust Him and follow His directions.

Security is a Priority

When we decided to have a school in this building, we understood that some forms of community service would not happen because of security issues. Soup Kitchen meals is an example. Allowing homeless people to take a shower is another.

Sabbath mornings are also a time of concern with the downstairs entry. To ensure the safety of the children, the downstairs entry doors will be open from 9:30 am – 10:15 am only. This time-frame is for those coming at 9:30 am for prayer and those in a Sabbath School class. A sign will be posted encouraging people to use the upstairs main entrance when the doors are locked.
